### World GBC terms and definitions:

**Established GBC** – a Green Building Council with World GBC Established Member status.

**Emerging GBC** – a Green Building Council with World GBC Emerging Member status, working towards achieving Established member status.

**Prospective GBC** – a group who has been officially recognized by World GBC as the entity establishing a GBC in their country and working towards gaining Emerging Member status (have submitted an Expression of Interest which has been approved by World GBC).

**Associated Group** – a group who has been informally recognized by World GBC as an entity establishing a GBC in their country and working towards gaining World GBC Prospective Member status (have been in communication with World GBC and are working on putting together an Expression of Interest).
